A range of styles and colours for every space. ect.

Eco-conscious design for comfortable living. le living.

SPECIFICATION

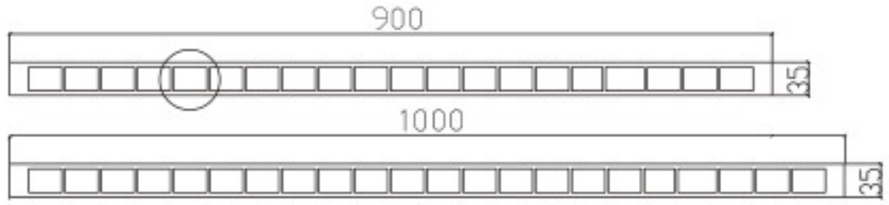

① 30mm+ Solid end wall thickness for Value hole Omel hinge
② 5mm+ Surface thickness
③ One time extrusion profile, 100% WPC material,
Thickness 35mm/40mm/45mm
④ 3-4mm thickness skin for CNC design
⑤ High quality PVC sealing with PUR hot glue

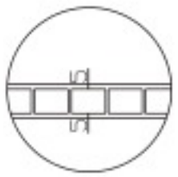

35 Thickness MM SERIES

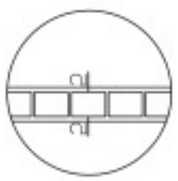

Door leaf
Thickness:35mm
Width: 900-1000mm
Height: can be customized
Wall thickness: 5mm
Works for CNC design

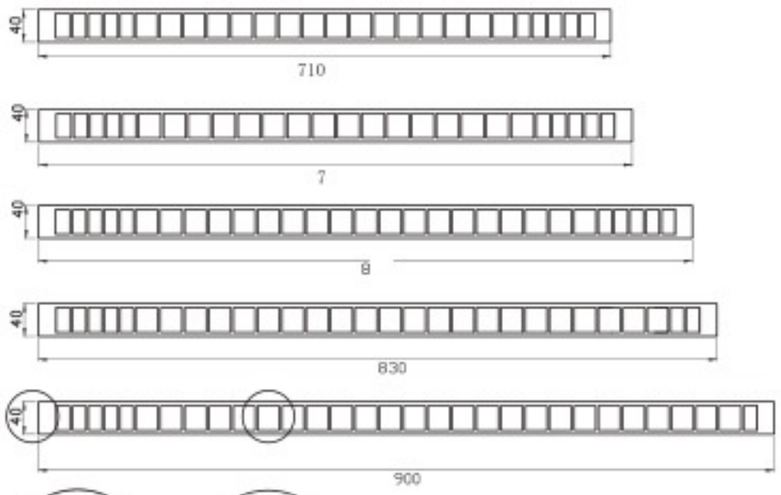

upvc/Door leaf
Thickness:35mm
Width:800mm
Height: can be customized
Wall thickness: 2mm
Works for CNC design

40 Thickness MM SERIES

Door leaf

Thickness:40mm

Width:710-900mm

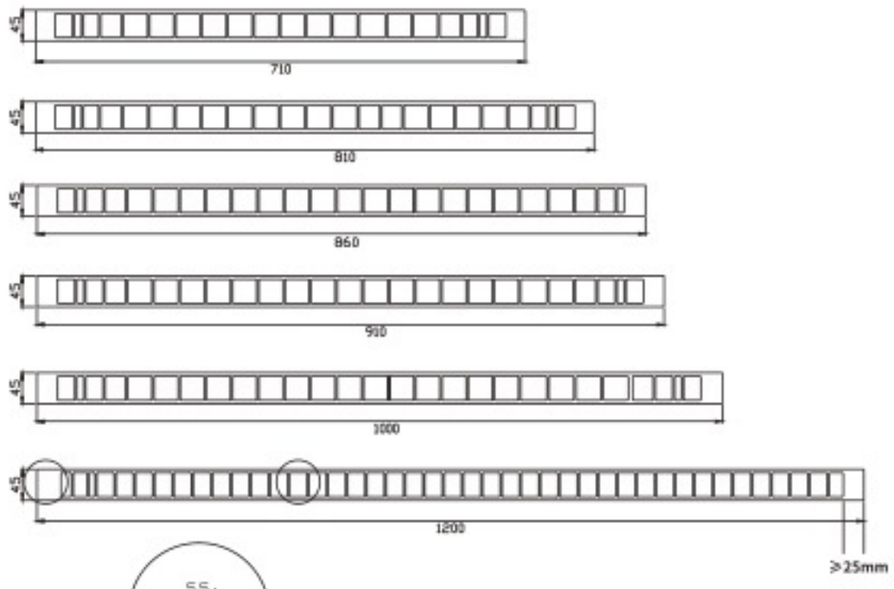

Height:can be customized

Wall thickness 5.5mm

Works for CNC design

45 Thickness MM SERIES

Door leaf

Thickness:45mm

Width:710-1200mm

Height: can be customized

Wall thickness: 5.5mm

Works for CNC design
